Sponsor Guidelines ANONYMOUS - 2023

- If the family you have contacted is not a good fit for you, please let us know and you may select another.
- If for any reason you cannot sponsor your chosen family, call and/or return the paperwork to Christmas Cheer ASAP. *Christmas Cheer will provide for all children and elderly in any families returned to us.*

SPONSOR'S RESPONSIBILITY

- 1) **New toys.** Remember that these children see the same TV commercials as other children and thus may have similar wish lists, but they are only wish lists; you provide what you can.
- 3) **Please provide new clothes and shoes for gifts** if a need has been indicated and you are able.
- 4) **Christmas dinner** if needed by supplying either groceries or a store gift card.
- 5) **Respond to any special requests** you are comfortable with.
- 6) We recommend allowing approximately \$250 per school-age child and \$75-\$100 for elderly. Although this amount will vary, please remember the gifts you provide may be the only ones they will receive this year.

Do Not Give Cash! *If you want to pay a family's bill, please go to the utility company, e.g., and pay directly on their account.*
